Join us on the Captain Matthew Flinders, the biggest ship that ACMO has chartered yet - When you board the majestic Captain Matthew Flinders, you will understand why this is a ship of celebrity status!

Every one of her 144 feet has been crafted with traditional elegance in mind. The Flinders is custom built and lavishly outfitted with lush carpeting, warm woods and Danish brass. The warmth and intimacy of her two interior decks is complemented with spacious outdoor decks where your guests can enjoy a dazzling trip through Toronto's harbourfront. The Captain Matthew Flinder's superb bar, dining facilities and air conditioned climate control system make even the most informal gathering special.

The Jerry Stiff Band is a Toronto-area "cover band" made up of four musicians, each focusing on specific parts to make the whole experience a slick and polished impression. They play an assortment of music from the 50s, right up to the near present. All genres are fair game – pop, rock, country, blues, psychedelic, folk, reggae, even the occasional crooner! And they play them with conviction. Together, they provide a Jerry Stiff experience.

Everyone in attendance will be required to have an ID, regardless of age. If an individual does not have a valid ID, no service of liquor, beer or wine will be made. Any passenger who is suspected of intoxication at boarding will be refused entry.
