

Greater Toronto Apartment Association Environmental Sustainability/Energy Conservation Forum

Go Green and Go Home Vol. II

Date: Tuesday, June 16, 2009

Time: 8:00 a.m. – 12:00 p.m. with lunch to follow

Place: The Old Mill: 21 Old Mill Road, Toronto, ON

Traditional highrise apartment buildings are a major target for environmental sustainability and energy conservation and are excellent opportunities for changes, upgrades and modifications. Many private and public sector programs exist for apartment building owners and managers to participate in, some of which have special financing or subsidies.

This half day forum is a must attend for all owners and managers of multi-unit residential buildings.
