Refresher Course for RCM Exam

SEMINAR

ACMO SEMINAR

There are several managers who have taken the ACMO college courses some time ago, or received an education or experience exemption, and not yet written the RCM exam. This seminar has been developed primarily to prepare these managers to write the RCM exam.

The seminar will be lead by RCMs and broadly follow the four course outlines. Student manuals for the four courses are available for purchase before the seminar individually or \$450 for all four (plus shipping and HST). Purchase of the manuals is not required but they do provide an excellent reference tool for managers.

Attendance will be limited for this seminar. This will ensure a good exchange of information and permit focusing on key concepts.

If you have been intending to write the RCM exam, this is an excellent opportunity to prepare yourself.
