SUMMER 2015

Hi Amanda,

I just received and read my CM summer 2015, which ends sadly with the page on the passing of Don Braden. As you well remember I was president of ACMO when we transitioned from a fellow manager managing to BB&C. The single most

important decision ever made by / for our association and for our industry.

It really is sad to see his picture and it reminds me (and you, too) that we should all “Live Life to the Fullest.”

Continue your great efforts for all your clients, but strike a balance in your life.

John Dzenekoj, RCM
ACMO past president in Crystal Beach
